DIRECTOR

## ALLIANCE FOR UNIFORM HAZMAT TRANSPORTATION

Dear Transporter:

Great news!! The new Alliance website is now ready for use. It will be much easier for you to use and you only have to fill in the information once. The website will guide you through the process, prompt you on missing information and calculate the fees owed. The website is used for new applications and for renewals. You still need to print the application after you have completed it and mail it in with your payment. Go to [www.hazmatalliance.org](http://www.hazmatalliance.org)

**Please be sure you fill out the long form for permit renewal (or for a new application) and short form for registration renewal.**

After logging onto the website, click on "create account". After reading and agreeing to the terms and conditions, click on "getting started" to begin the application. Remember, ***Once you have completed each page be sure that you click on "Save and Continue" to save your work.***

When you renew each year, all you have to do is enter your password (you will receive this when you log on the first time) and update any information that has changed from the previous year.

*The website is easy to use, streamlines the entire application process, saves your data for faster renewals each year, and reduces calculation errors and missing data.*

***After completing all parts of the online application, you will be presented with a filled-out PDF document to be printed, signed and mailed in with your fee to the address noted below.***

**Please make check payable to the State of Michigan**

Cashiering  
Michigan Department of Environmental Quality  
P.O. Box 30657  
Lansing, Michigan 48909

**For overnight/express mail delivery:**
